**DO NOT LET THE IRS TAX YOUR IRA:** If you have an IRA and are at an age where you are required to take distributions, you know how taxing that experience can be. As a supporter of St. Edward Church, you should be aware that congress recently renewed special incentives to make charitable gifts through retirement accounts. **The legislation allows you to keep those IRA withdrawals up to \$100,000 from ever being taxed.**

For a free brochure, that describes these incentives, call Mr. Pat Palombo, Director of Development & Stewardship at 330-744-8451 ext. 325 or email Mr. Palombo at [ppalombo@youngstowndiocese.org](mailto:ppalombo@youngstowndiocese.org).

**THOMAS JEFFERSON SAID IN 1802:** "I believe that banking institutions are more dangerous to our liberties than standing armies. If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the banks and corporations that will grow up around the banks will deprive the people of all property until their children wake up homeless on the continent their forefathers conquered."
